HIGHLIGHTS

- **Individual transparent solid cube:** each single cube is an artwork: crystal clear and perfectly shaped, faithful to the Scotsman tradition.
- **Global standard footprint:** strictly follows international imperial standard commonly adopted in the industry of reference.
- **Agion:** the technology that makes products cleaner and longer lasting with built-in protection working 24/7 to resist the growth of microbes and the development of unpleasant odors.
- **Electronic control:** ambient and water temperatures may change throughout the years but your ice will stay the same.
- **External indicator lights:** keeps ice maker's operations under constant surveillance.
- **Front access condenser air filter:** a do-it-yourself cleaning operation that saves time and money and makes your ice maker live longer.
- **Clean alert:** advises with a blink when it's time to clean the filter.

Gourmet ice goes EXTREME

Pure, hard, crystal clear, slow melting
and compact ice, with no holes.
The cubes are individually formed
by spraying water onto a subcooled
horizontal evaporator.

Available in 3 different sizes.
