

AFC80 - AFC134

The Italian Cubelet ice makers

HIGHLIGHTS

- **Electronic control**: ambient and water temperatures may change throughout the years but your ice maker will stay the same.
- Front panel IN & OUT flow: allows for built-in installation.
- **Agion**: the technology that makes products cleaner and longer lasting with built-in protection working 24/7 to resist the growth of microbes and the development of unpleasant odors.
- **Ergonomical design**: ice-storage access with disappearing door.
- Front access condenser air filter: a do-it-yourself cleaning operation that saves time and money and make your ice maker live longer (on AFC134 only).
- **PWD Progressive Water Discarghe**: pumps excess residual water up to a distance of 15 meters (optional on AFC134 only).

Cubelet ice The chewable one

Compressed flake ice formed in irregular chips. Long lasting, easy to use, high and fast displacement and hands-free dispensing: a successful type of ice.
